

ARTICLES FOR THE BULLETIN

Thank-you to the many people who contribute to the Bulletin with notices and interesting snippets. I get many e-mails asking me to include items, but not all of them are suitable.

To help you, here are a few guidelines –

- ✓ Group events, adventures and news are very much accepted.
- ✓ Photographs may possibly be used if there is room, and if everyone in the photo has given permission for it to be published.
- ✓ Notices about local events which our members might enjoy are also acceptable.
- ✗ Notices of a “political” nature, whether local or national, will not be accepted.
- ✗ Notices advertising “jobs” for organisations, other than our U3A, whether for charities or not, will not be accepted.
- ✗ Notices from a non-U3A source asking for personal information, or recruiting for a “cause”, will not be accepted.
- ✗ Personal complaints will not be published.

Please note that only the Editor and the Chair are entitled to have the final decision about what will be included in the Bulletin. Any aggressive or abusive contacts will be blocked.

We do not publish notices of the deaths of members, but please let the [Membership Secretary](#) know, as well as the relevant Group Leaders (if you know who they are) if you wish to inform members who knew the deceased.

It would help me if members who place a notice could tell me when the item no longer needs to be displayed. This would save me having to guess.

I often get e-mails sent to me replying to items in the Bulletin as if I were the person responsible. I am the person who edits and arranges the items. If you wish to reply to an item you need to “click” or “tap” on the name in the article which is usually in blue and underlined (as is mine below), these are called “hyperlinks” and they open up the e-mail page to send a direct message to that person. Remember to fill in your name in the e-mail so they know who to reply to.
